ABOUT THIS FRAMEWORK

This framework can be used by local authorities, housing associations and other social landlords to find the vital technical support they need to deal with the unique challenges associated with the integration of offsite projects including volumetric, panelised, high-rise and turnkey building systems and to make your offsite project a success.

Despite the clear and tangible benefits of offsite manufacture for construction, the take up of offsite manufacture of homes has been limited to date due to a number of factors including poor collaboration and integration of the industry or risks being overstated by organisations not fully appreciating the challenges of offsite projects at the start of their journey. NPA's framework for Offsite Project Integrators (OPI1) is the best solution to help you understand your project risks and manage integration of all aspects of the delivery of offsite solutions for housing, bungalows, flats, apartments, sheltered accommodation, care homes and student, NHS and 'Blue Light' accommodation. It may also be used to manage the delivery of non-residential projects.

The framework comprises of a single workstream covering Offsite Project and Contract Management through not only RIBA stages 0-7 but also preliminary stages prior to RIBA Stage 0 to support:
1) initiation & development and 2) land assembly.

The aim of the Offsite Project Integrator is to provide the client with a single point of contact to manage the effective implementation of offsite housing schemes.

Offsite Project Integrator framework service includes:

Pre RIBA

- i. Initiation and development
- ii. Land assembly services (if required at call-off stage)

RIBA Stages

- 0. Strategic Definition (if not previously addressed by the Client)
- 1. Preparation and Briefing
- 2. Concept Design
- 3. Spatial Coordination
- 4. Technical Design
- 5. Manufacturing and Construction
- 6. Handover
- 7. Use

Areas across North England

- C - North East
- D - North West
- E - Yorkshire and the Humber

- > WSP

*LISTED ALPHABETICALLY

NPA provides legally compliant frameworks and DPS' which can be used by local authorities, social landlords and other public sector organisations to procure works, products and services for consultancy, compliance, refurbishment and modernisation, energy efficiency and development projects.

The Northern Procurement Alliance brand, which is part of the LHC Procurement Group (LHCPG), offers advice, support and guidance to all public sector organisations across North England, with access to LHCPG's suite of framework solutions, which are built on more than 50 years of public sector construction procurement expertise and knowhow.

EVALUATION AWARD WEIGHTING CRITERIA

Pre-Qualification Questionnaire (PQQ)

Candidates submitted answers and were evaluated on a set of regulatory questions covering:

- > Mandatory or discretionary exclusion
- > Economic and Financial Standing
- > Modern Slavery Act 2015
- > Quality Management

Qualitative Capability Questionnaire

In order to ensure that Companies invited to submit subsequent ITTs were capable, candidates were asked to submit a Qualitative Capability Questionnaire for each Lot that they applied for that asked them to provide details of either:

- | | | |
|--|----|---|
| <p>1. An offsite residential project that they had been involved with that referred to the minimum requirements described in the draft specification, and was completed within the Lot that demonstrates they “Operate in” the region.</p> | OR | <p>2. If they had not delivered a project in the Lot, to provide details of the staff to be used, locations, proposed client relationship and meetings procedures, site visit proposals and management processes.</p> |
|--|----|---|

Invitation to Tender (ITT)

20% Pricing

Evaluation of:

- | | |
|---|---|
| <ul style="list-style-type: none"> > Hour and day rates > 10% Residential project rates for low rise up to 3 storey > 2.5% Uplifts on rates for care home projects/multiple occupancy and medium or high rise buildings (4 storeys or more) | <ul style="list-style-type: none"> > 1.5% Non-residential buildings project rates - standard office block > 1% Uplifts on rates for Primary and Secondary schools, further education/University and healthcare projects |
|---|---|

80% Quality

Eligibility

NPA is a not-for-profit organisation, governed by public law and a central purchasing body providing procurement services. Over 200 publicly funded organisations throughout England use NPA frameworks to procure works, goods and services to construct, refurbish and maintain social housing, schools and public buildings:

- | | |
|--|---|
| <ul style="list-style-type: none"> > Local Authorities and any subsidiaries and joint-venture vehicles of those Local Authorities. > Registered Social Landlords (RSL), Tenant Management Organisations (TMOs) & Arm's Length Management Organisations (ALMOs) > Health Authorities, Councils, Boards and Trusts | <ul style="list-style-type: none"> > Publicly Funded Schools > Universities and Further Education Establishments > Colleges > Police Forces > Fire and Rescue services > Registered Charities |
|--|---|

Details of those contracting authorities identified are listed at www.northernprocurement.org.uk/who-we-work-with/

Call-off Award Options

The framework allows clients the option of:

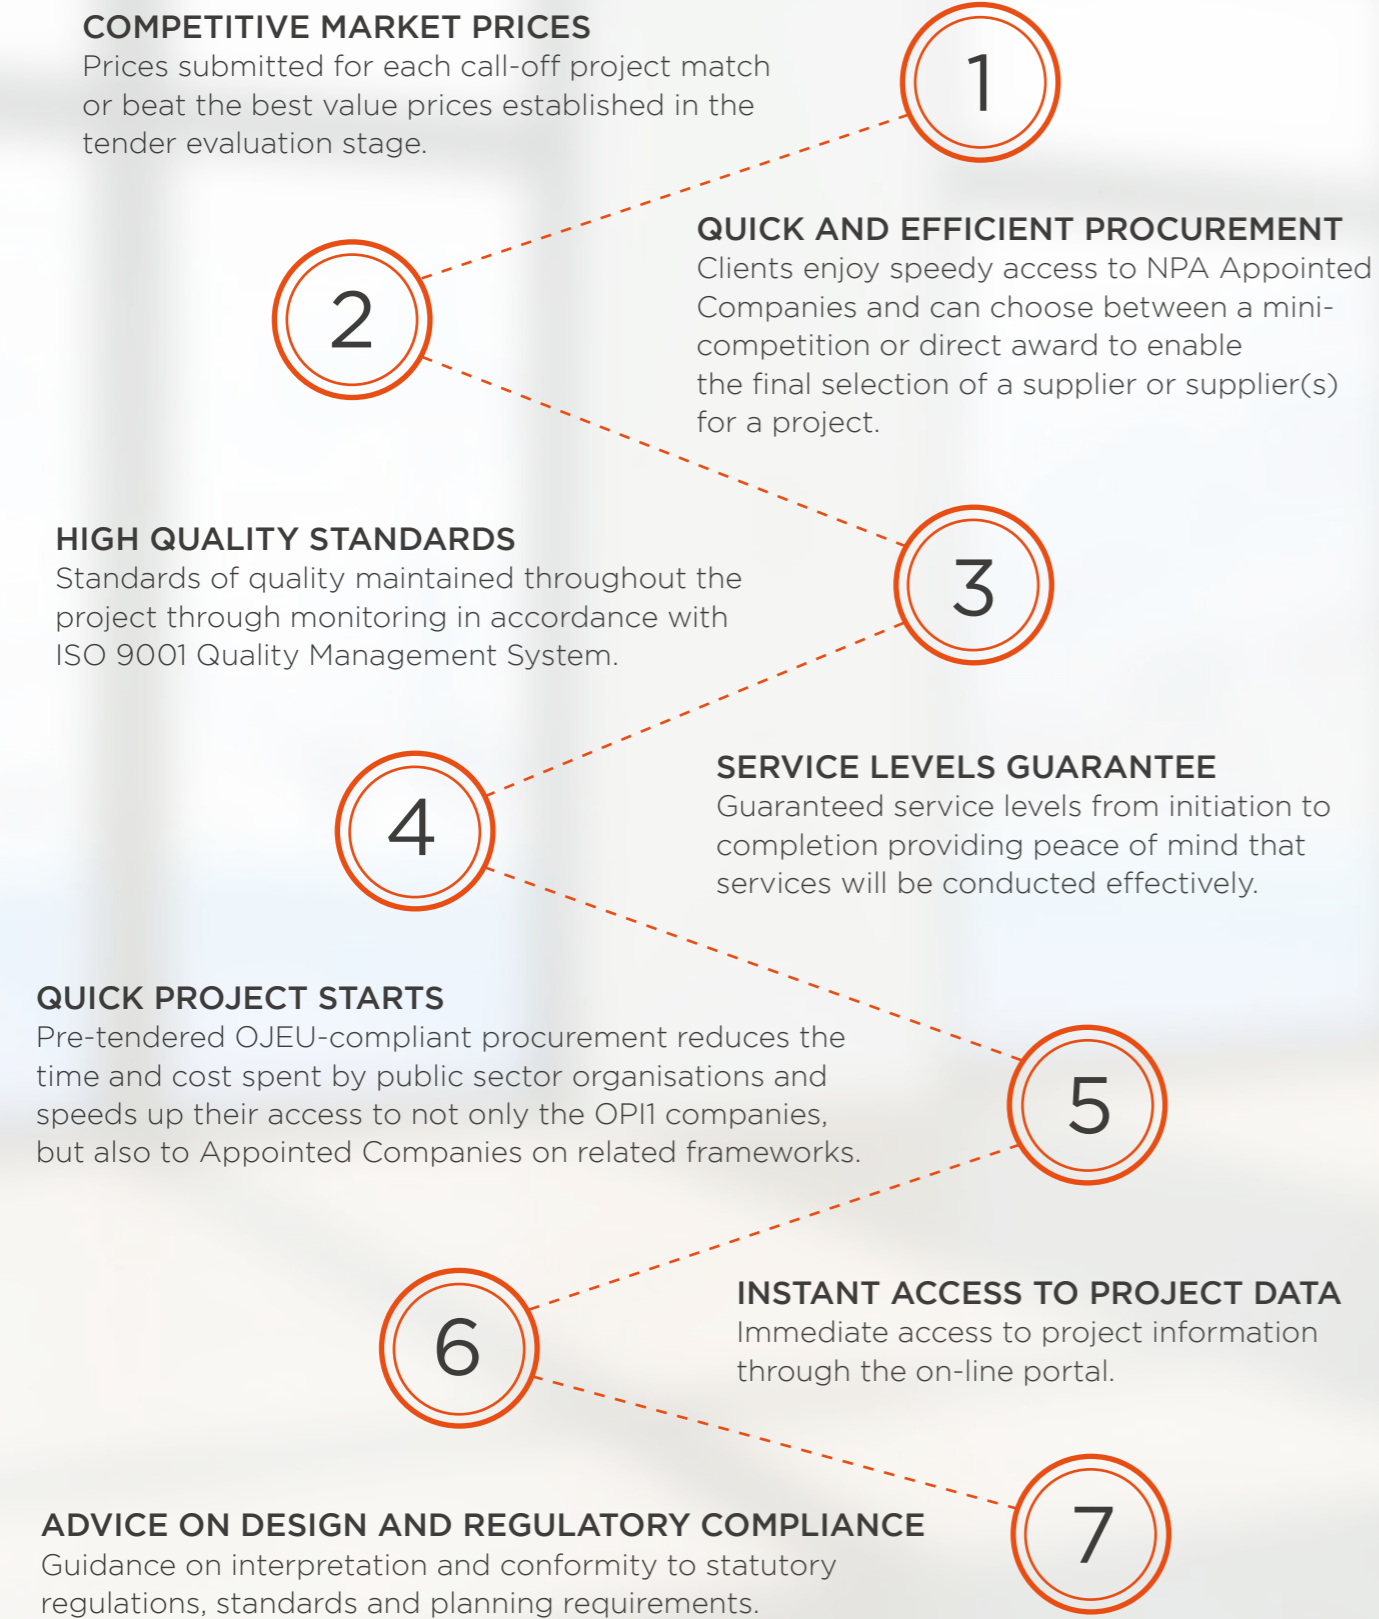

Direct award without further competition, where all terms and conditions of the call-off project are within the terms and conditions of the framework

OR

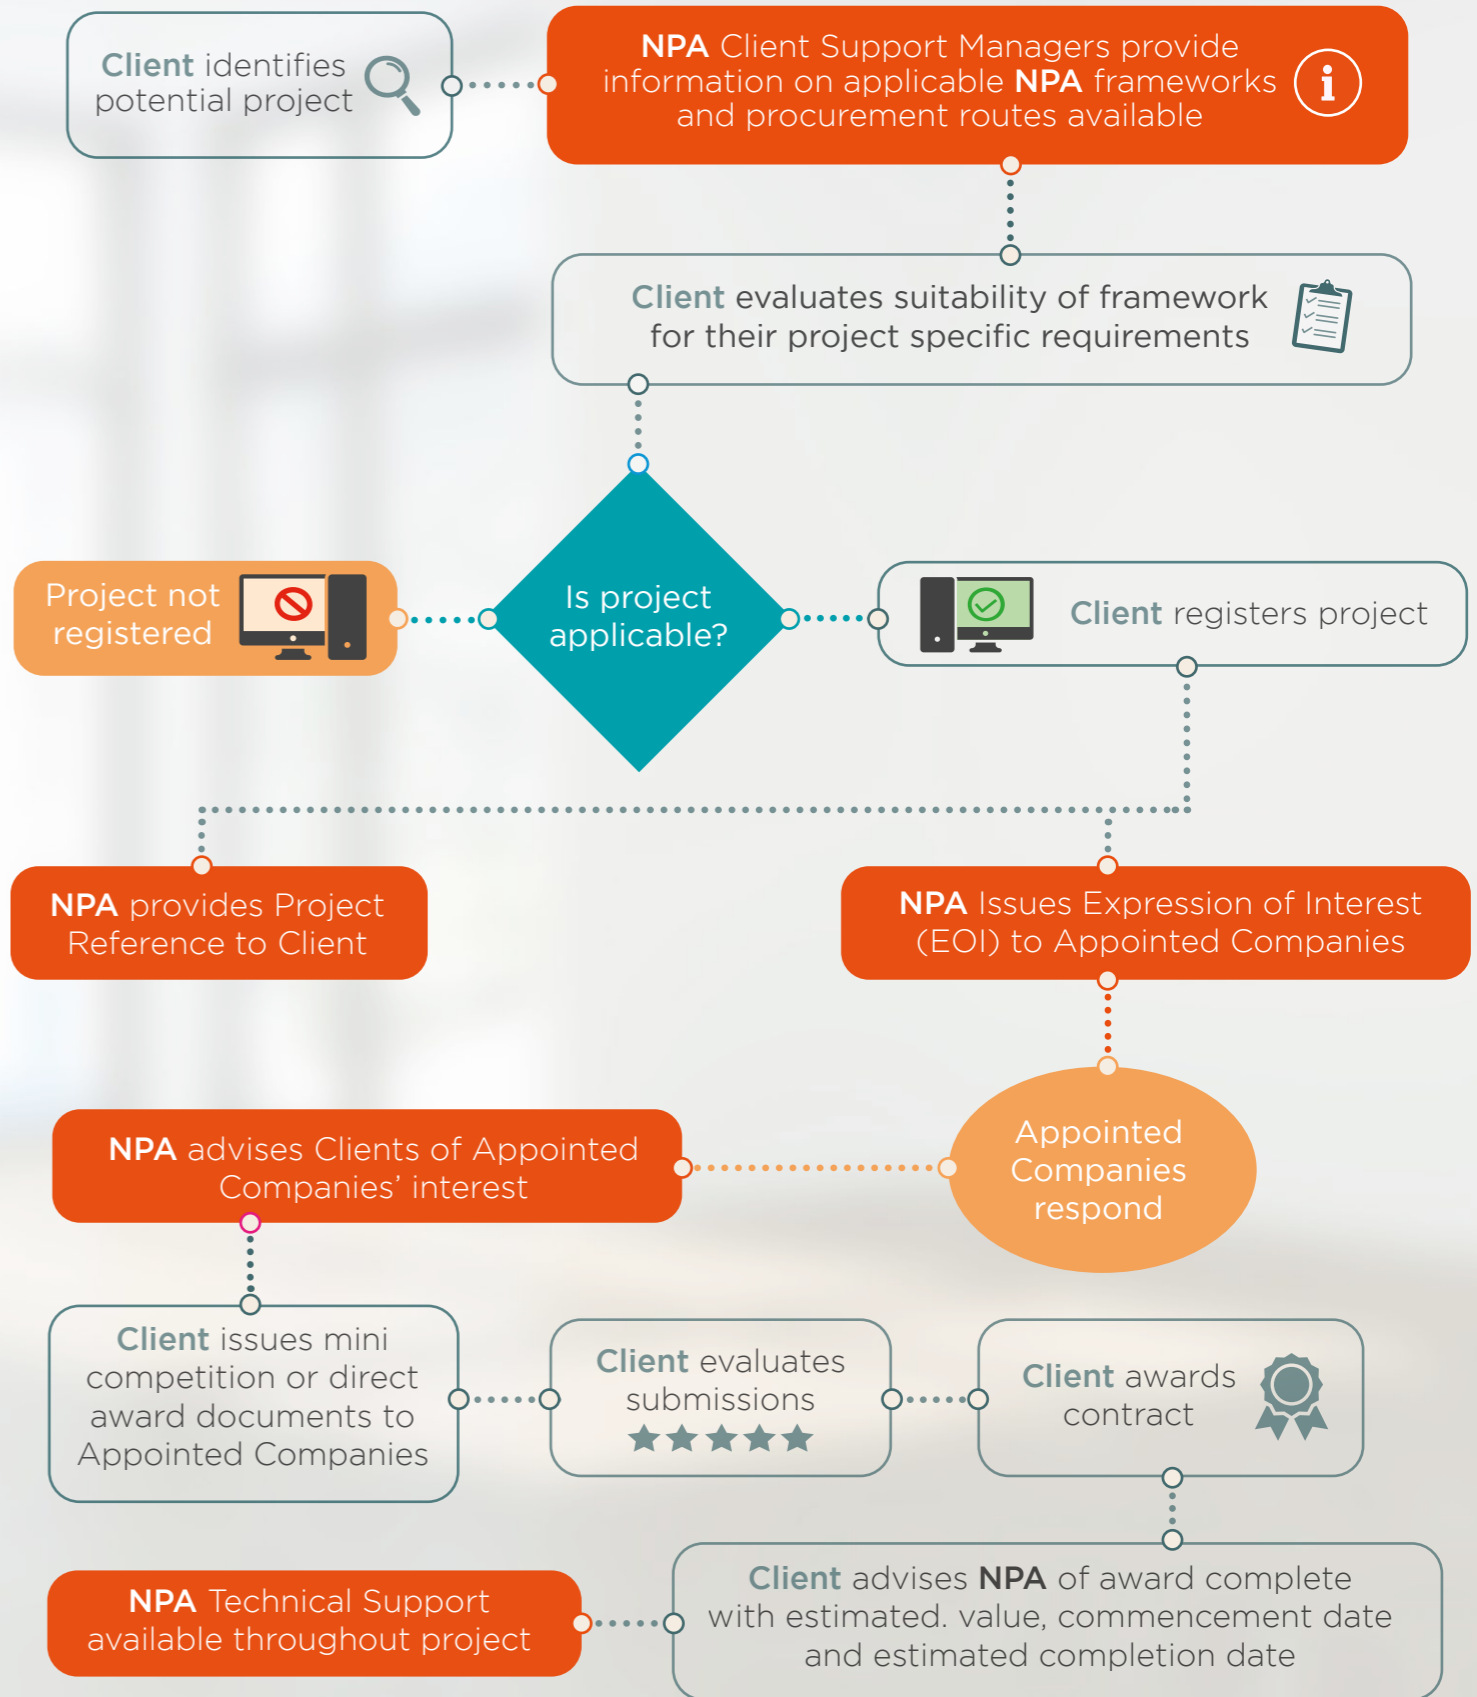

Mini-competition, where terms and conditions of the call-off may vary or be modified from the framework or at the choice of the Client.

THE FRAMEWORK IN ACTION

As well as providing compliance, quality and best value to clients, the framework for Offsite Project Integrator supports a comprehensive streamlined process from initiation to completion of a call-off project, and includes:
